State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2016	Bergland-Sidnaw Trail	Bergland-Sidnaw Trail Bridge over the South Branch Ontonagon River	Bergland-Sidnaw Trail bridge over the South Branch Ontonagon River	1	Ontonagon	\$0	Unknown	\$0
MI	2016	Higgins Lake Trail	Higgins Lake Trail	Unspecified/Unidentifiable	4	Roscommon	\$0	Unknown	\$0
MI	2016	Alpena to Hillman Trail	Alpena to Hillman Trail	Bridges and Culverts	1	Alpena	\$0	Unknown	\$0
MI	2016	Musketawa Trail	Musketawa Trail Connector	Musketawa Trail Connector	2	Muskegon	\$0	Unknown	\$0
MI	2016	Baraga-Arnheim Rail-Trail	Baraga-Arnheim Rail-Trail	Baraga-Arnheim Trail culvert renovation	1	Baraga	\$0	Unknown	\$0
MI	2016	Kalkaska Mt. Bike Trail	Kalkaska Mt. Bike Trail	Kalkaska Mt. Bike Trail	1	Kalkaska	\$0	Unknown	\$0
MI	2016	Michigan State Park Trail System	Engineering, Design, and Cost Estimating	Trailway program engineering and design	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$0	Unknown	\$0
MI	2016	Michigan State Park Trail System	Partnership Grants	Trailway program partnership grants	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$0	Unknown	\$0
MI	2016	Iron Belle Trail	Iron Belle Trail	Environmental investigation for purchase of Iron Belle Trail corridor	5	Genesee	\$0	Unknown	\$0
MI	2016	State Park Linear Trail O&M Projects	State Park Linear Trail O&M Projects	State park linear trail operation and maintenance	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$0	Unknown	\$0
MI	2016	Winter Recreation Trails	Maintenance	Pathway crossing, ski groom and parking lot maintenance	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$0	Unknown	\$0
MI	2016	Michigan State Park Trail System	Pathway Signage Upgrades	Pathway Signage Upgrades	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$0	Unknown	\$0

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2014	High Country Pathway	High County Pathway Improvements	Replace 920' of boardwalk and puncheon, stabilize 800' puncheon and 550' elevated boardwalk and stabilize two boardwalk stream crossings at four sites on the trail.	1	Cheboygan, Presque Isle, Montmorency	\$30,000	\$7,500	\$37,500
MI	2014	Ausable Foot Trail	Engineering/design for two bridge replacements and construction if funds available on the Amusable foot trail at Hartwick Pines S.P.	Replace two stream crossings on the trail	1	Crawford	\$25,000	\$6,250	\$31,250
MI	2014	Hart Montague State Park Trail	Funding assistance for re-surfacing the asphalt on the W. Field Memorial Hart-Montague Trail State Park	Resurface and widen the 22 mile rail-trail.	2	Oceana, Muskegon	\$325,000	\$81,250	\$406,250
MI	2014	Kalamazoo Valley Trail	Engineering/design for the Kalamazoo River Valley Trail through the northern section of the Fort Custer Recreation Area	Engineering/Design for a section of planned "Lake to Lake Trail", cross state railway, from Port Huron to South Haven.	6	Kalamazoo	\$50,000	\$12,500	\$62,500
MI	2014	Lakelands Trail State Park and Horse Trail	Engineering/design for two sections of the Lakelands Trail State Park surfacing	Engineering/Design for surfacing two sections of the Lakeland's Trail SP	7, 8	Livingston, Ingham, Jackson	\$60,000	\$15,000	\$75,000
MI	2014	Michigan State Park Signs	State Park trail sign replacement	Replace damage and missing signs on trails at seven State Parks. The Parks are; Metamora, Ortonville, Holly, Pontiac Lk., Pround Lk. And Bald Mnt.	8, 11, 14	Oakland, Lapeer	\$70,000	\$17,500	\$87,500
MI	2014	Statewide Connected Trail System	Trailway Project survey, engineering, design and special projects: DNR rail trails	Survey, engineering and design on state rail-trails.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$192,000	\$48,000	\$240,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2014	State Park Linear Trail O&M Projects	State Park Linear Trail O&M Projects	200+ miles of surfaced rail-trails, activities include brushing, mowing, surface and washout repairs, intersection marking, sign replacement, bridge decking and railing repairs.	2, 3, 4, 6, 7, 8	Statewide	\$267,000	\$66,750	\$333,750
MI	2014	ORV and Snowmobile trail system	Bridge Engineering, Lincoln Hills Snowmobile-ORV Trail	Funds to inspect existing bridge and provide repair or replacement engineering/design as determined appropriate.	2	Lake	\$25,000	\$6,250	\$31,250
MI	2014	Musketawa Trail	Musketawa Trail connector trail engineering: bridge and boardwalk	Providing engineering and design for a section of boardwalk and bridge needed in the connector trail that connects the Musketawa trail with the City of Muskegon's trail system	2	Muskegon	\$150,000	\$37,500	\$187,500
MI	2014	Van Buren Trail State Park	Van Buren Trail State Park Trail Surface Improvements	Engineer, design trail connections and trailhead improvements for two sections of the VanBuren Trail: one within the City limits of South Haven and the second section within the boundaries of Van Buren S.P.	6	Van Buren	\$50,000	\$12,500	\$62,500
MI	2014	Betsie Valley Trail	Betsie Valley Trail surface completion engineering/design	Engineering and design for completing the upgrade of the trail surfacing to the program standard limestone aggregate that supports accessible use.	1	Benzie	\$70,000	\$17,500	\$87,500
MI	2014	Green Pine Pathway	Green Pine Pathway Wet Area Crossing Upgrades	Design and install appropriate wet area crossing structures to cross wet areas in several locations on this pathway.	4	Clare	\$25,000	\$6,250	\$31,250
MI	2014	Ionia Rec. Area	Pedestrian Bridge construction at Ionia Rec. Area	Funds to construct pedestrian trail bridge previously engineered	3	Ionia	\$125,000	\$31,250	\$156,250
MI	2014	Kalkaska Mt. Bike Trail	Kalkaska Mt. Bike Trail CROSSINGS	Design and install appropriate wet area crossing structures to cross wet areas in several locations on this pathway.	1	Kalkaska	\$28,500	\$7,125	\$35,625

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2014	Seven State Trail System	Rest Benches for Seven State Park Trail System	Funds to install rest benches at seven State Park trail Systems The Parks are; Metamora, Ortonville, Holly, Pontiac Lk., Pround Lk, And Bald Mnt..	8, 11, 14	Oakland, Lapeer	\$21,000	\$5,250	\$26,250
MI	2014	North Eastern State Trail	Directional/Trailhead Locator Signs for the North Eastern State Trail	Funds to install directional signage for locating trailhead parking areas for the North Eastern State Trail on interstate highway, state and local roads.	1	Cheboygan, Presque Isle, Alpena	\$10,000	\$2,500	\$12,500
MI	2014	Snowmobile & ORV Trail Systems	Construction/Renovation of Box Culvert under Houghton-Calumet Rail-trail at St. Louis Creek	Funds to complete renovation of 325' box culvert under the Houghton-Calumet Rail-trail. Engineering was completed by an earlier trail grant.	1	Houghton	\$320,000	\$80,000	\$400,000
MI	2014	Brule River Trail system	Additional funds for Brule River trail system, Michigan portion	Partnership with Wisconsin to renovate bridge and trail planned to connect the Wisconsin and Michigan Trail system	1	Iron	\$15,000	\$100,000	\$115,000
MI	2014	Statewide Snowmobile System	Partnership project with National Park Service (NPS) to study development options for multi-use trail opportunities on the Hancock to Calumet Rail-trail to be developed as the "Copper Heritage Trail"	Funds to assist with a study of the trail corridor, it's ownership, encroachments, and to identify options for multi-use development of the trail corridor to be known as the "Copper Heritage Trail".	1	Houghton	\$20,000	\$80,000	\$100,000
MI	2014	ORV trails	Assistance for Development of a National ORV Guidebook for Construction and Maintenance of OHV Trails for the Future.	Funds to assist with development of a national guidebook on ORV trail design, construction and maintenance of sustainable ORV trails and facilities	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$20,000	\$5,000	\$25,000
MI	2014	Statewide Snowmobile Trail System	Partnership with Baraga County Road Commission, funds to assist with replacement of two bridges on Snowmobile trail #15.	Funds to assist with replacement of two bridges used by State Snowmobile Trail #15	1	Baraga	\$15,000	\$3,750	\$18,750

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2014	Maybury State Park Trail	Trail Connector Engineering/Design and Construction; Maybury State Park	Funds to engineer/design and construct a section of trail through Maybury State Park to connect with adjacent community trails/parks	11	Wayne	\$650,000	\$162,500	\$812,500
MI	2014	Kal-Haven and Van Buren Trail System	Trail Surface Improvement Engineering/Design; Kal-Haven and Van Buren Trail Segments	Funds to provide engineering/design and cost estimates for completion of trail surfacing of sections of the Kal-Haven and Van Buren State Park Rail-trails	6	Van Buren	\$75,000	\$18,750	\$93,750
MI	2014	Milliken State Park Trail	Engineering for Installation of Re-cycled Bridge; Milliken State Park	Funds for engineering for abutments to install an historic 1800's bridge on the trail system at the Wm. Milliken State Park.	11	Wayne	\$30,000	\$7,500	\$37,500
MI	2013	North Boulevard Connector Trail	Mitchell State Park - North Boulevard Connector Trail	Construct .5 mile 8' wide bituminous trail and a 1/10 mile 8' wide bituminous and 10' wide boardwalk section of trail to provide a safe connection to the Carl T. Johnson Hunting and Fishing Visitors Center and the trail around Lake Cadillac and the...	4	Wexford	\$204,700	\$51,175	\$255,875
MI	2013	Michigan Statewide Rail-Trail System	Trailway Project survey, engineering, design and special projects: DNR rail trails	Survey, engineering and design on state rail-trails.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$252,700	\$63,175	\$315,875
MI	2013	North Central State Trail	North Central State Trail-Indian River Marina Park Trailhead- phase 2	Development of trailside/trailhead facilities including, site grading, connector walkways, parking and signage.	1	Cheboygan	\$57,600	\$300,900	\$358,500
MI	2013	Clinton-Ionia-Shiawassee Trail	CIS Trail- Prairie Creek Bridge Renovation	Structural evaluation and repair and renovate decking and railing on rail trail bridge.	3	Ionia	\$50,000	\$25,000	\$75,000
MI	2013	Michigan ORV Trail System	ORV Sign Program Upgrade - Phase IV	Signage on a 3000+ mile trail system.	1, 2, 3, 4, 5	Multiple Counties	\$305,000	\$475,000	\$780,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2013	Oakland County Trail System	Connector/linkage sections of trail to other local trails	Development of connector/linkage sections of trail to other local trails like Oakland Co. and Highland Twp. trail systems including; 2.5 miles of multi-use trails and 1.25 miles of equestrian trails, trailhead facilities and signage.	11	Oakland	\$570,000	\$142,500	\$712,500
MI	2013	Fred Meijer White Pine Trail		Surfacing of the final 40.8 miles of this trail state park and decking and trailing treatment of 5 bridges.	4	Montcalm, Mecosta, Osceola	\$245,000	\$3,130,500	\$3,375,500
MI	2013	Fred Meijer Flat River Valley Trail		Surface over 2 miles of trail with asphalt surfacing, deck and rail 3 bridges	3	Ionia	\$300,000	\$1,175,214	\$1,475,214
MI	2013	ORV and Snowmobile trail system	Goose Creek ORV/Snowmobile Trail Re-route and Culvert	Construct approx. 7 mi. of new trail route, includes installation of a box culvert over stream.	4	Kalkaska	\$105,000	\$26,250	\$131,250
MI	2013	Craig Lake State Park Trails	Bridge construction: Craig Lake State Park	Replacement of two bridges on the trail system in Craig Lake State Park	1	Baraga	\$380,000	\$95,000	\$475,000
MI	2013	Upper Peninsula ORV/Road	ORV riding opportunities	Connector trails to connect the motorized trail system in Michigan's Upper Peninsula and provide access to services and lodging and restaurants.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$150,000	\$37,500	\$187,500
MI	2013	Michigan State Snowmobile Trail System	XC Ski Grooming Program	Grooming and parking lot plowing on State Forest Pathways that allow cross country skiing.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$65,000	\$16,250	\$81,250
MI	2013	State Administration	RTP: Program Audit	Audit for the RTP Program	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$5,000	\$1,250	\$6,250
MI	2013	Brimley Multi-use Trail	Brimley Multi-use Trail Bridge engineering	Brimley Multi-use Trail Bridge engineering	1	Chippewa	\$70,000	\$17,500	\$87,500
MI	2013	ORV and Snowmobile trail system	Brule River Trail system Michigan portion; 50% for bridge, 50% for trail connection	Partnership with Wisconsin to renovate bridge and short connector trail planned to connect the Wisconsin and Michigan Trail system.	1	Iron	\$100,000	\$25,000	\$125,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2013	ORV and Snowmobile trail system	Cranberry Lake ORV/Snowmobile Trail #47 Bridge and Engineering for abutments	Purchase pre-engineered portable bridge and engineer support abutments for the bridge.	1	Chippewa	\$65,000	\$16,250	\$81,250
MI	2013	Rail-Trail System	Boundary Marking of State Rail-trails in the Upper Peninsula	Boundary marking of state owned rail-trails in the UP	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$45,000	\$11,250	\$56,250
MI	2013	Michigan snowmobile trail system	Murphy Creek Bridge and Abutment Engineering	Engineering of bridge and abutments to replace bridge in bad repair	1	Schoolcraft	\$25,000	\$6,250	\$31,250
MI	2012	Linear State Park Trails	State Park Rail-Trail Operations and Maintenance	200+ miles of surfaced rail-trails, activities include brushing, mowing, surface and washout repairs, intersection marking, sign replacement, bridge decking and railing repairs.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$210,000	\$52,500	\$262,500
MI	2012	State Trailways	Engineering, Design, and Survey	Engineering, Design, and Survey	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$454,000	\$113,500	\$567,500
MI	2012	Baraga-Arnheim Rail-Trail	Bridge Engineering, Two Bridges, Two Culverts	Bridge Engineering, Two Bridges, Two Culverts	1	Baraga	\$75,000	\$18,750	\$93,750
MI	2012	North Central State Trail	Trailbed Repairs	Trailbed Repairs	1	Cheboygan	\$50,000	\$12,500	\$62,500
MI	2012	Pere Marquette State Trail	Trail Signage for Trailhead Locations	Trail Signage for Trailhead Locations	1, 2, 4	Clare, Osceola, Lake	\$4,000	\$1,000	\$5,000
MI	2012	Hancock-Calumet Trail	Trail Cross Drain Structure Analysis	Engineering evaluation of cross trail drainage structures including cost estimating and identifying priorities for addressing repairs.	1	Houghton	\$200,000	\$50,000	\$250,000
MI	2012	Houghton to Chassel Trail	Trail Maintenance	Trail Maintenance	1	Houghton	\$50,000	\$12,500	\$62,500
MI	2012	Stateline Trail	Rail-Trail Bridge Repair	Repair or replace decking, railing and make needed improvements to structural elements of this 168' trestle.	1	Iron	\$315,000	\$78,750	\$393,750
MI	2012	Stateline Trail	Rail-Trail Bridge Repair	Repair or replace decking, railing and make needed improvements to structural elements of this 114' trestle.	1	Iron	\$225,000	\$56,250	\$281,250

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2012	Fort Custer Recreation Area	Trail Separation	Assist with separation of trails for horses and mt. bikes.	6	Kalamazoo	\$45,000	\$11,250	\$56,250
MI	2012	Musketawa Trail	East Musketawa Trailhead Construction	Trailhead parking area being provided by local business with a separate entry drive and connector walk to the trail.	2	Kent	\$100,000	\$25,000	\$125,000
MI	2012	Trails in Mackinac County	Trail Surface Upgrade	Trail Surface Upgrade	1	Mackinac	\$320,000	\$80,000	\$400,000
MI	2012	Flowers Creek Bridge	ORV/Snowmobile Bridge	Replacement of inadequate bridge over Chase Creek for use by ORV's, snowmobiles and trail grooming equipment.	4	Missaukee	\$195,000	\$48,750	\$243,750
MI	2012	Canada Creek High Country Pathway	Bridge Replacement	Bridge Replacement	1	Montgomery	\$180,000	\$45,000	\$225,000
MI	2012	Parmalee Bridge	Water Access Site Improvements	Water Access Site Improvements	1	Oscoda	\$25,000	\$6,250	\$31,250
MI	2012	North Central State Trail	Trail Maintenance and Equipment	Trail Maintenance and Equipment	1	Otsego, Cheboygan	\$18,000	\$4,500	\$22,500
MI	2012	Cheboygan to Alpena Trail	Bridge Replacement	Replace Bridge over Ocqueoc River	1	Presque Isle	\$300,000	\$75,000	\$375,000
MI	2012	Fox River Pathway	Parking Upgrades/Signage	Parking Upgrades, Signage	1	Schoolcraft, Alger	\$8,500	\$2,125	\$10,625
MI	2012	Statewide ORV Facilities	ORV Enforcement Equipment	ORV Enforcement Equipment	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$50,000	\$12,500	\$62,500
MI	2012	Statewide ORV Facilities	ORV Sign Upgrade Phase 3 of 4	ORV Sign Upgrade Phase 3 of 4- NLP/UP	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$100,000	\$25,000	\$125,000
MI	2012	Van Buren State Park Trail	Regional Trail Connections Construction	Regional Trail Connections Construction	6	Van Buren	\$455,000	\$113,750	\$568,750
MI	2012	Chase Creek Bridge	ORV/Snowmobile Bridge	Replacement of inadequate bridge over Chase Creek for use by ORV's, snowmobiles and trail grooming equipment.	4	Wexford	\$425,000	\$106,250	\$531,250
MI	2011	Allegan State Game Area, Pine Point	Day Ride Parking Improvements: Allegan State Game Area, Pine Point	Improvements to expand a parking area to provide better access and more capacity for horse trailers at an access point to a 55-mile horse trail system.	2	Allegan	\$6,000	\$1,000	\$7,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2011	Northern Lower and Upper Peninsulas	ORV Trail System Sign Project-Phase II	Signage	1, 2, 3	Multiple Counties	\$250,000	\$250,000	\$500,000
MI	2011	Millersburg Historic Park and Trailhead	Trailhead Development - Millersburg Trailhead	Parking, restroom building, warming/picnic shelter, benches, signage	1	Presque Isle	\$211,000	\$492,000	\$703,000
MI	2011	Ocqueoc Falls Pathway	Pathway Trailhead Renovation- Ocqueoc Falls Pathway	Unique project renovating trailhead parking area and day use site providing universal access to experience the only water fall in Michigan's Lower Peninsula.	1	Presque Isle	\$260,000	\$532,000	\$792,000
MI	2011	Berry Junction Trail	Trail Surface Improvements - Berry Junction Trail	Trail surface improvements, part of Michigan Statewide Trailway System	2	Muskegon	\$100,000	\$900,000	\$1,000,000
MI	2011	Deadman's Hill-Landslide, Jordan River Pathway	Trailhead Upgrades ? Deadman's Hill / Landslide & Jordan River Pathway	Two trailheads that serve a popular pathway in the Jordan River Valley and are major scenic overlook destinations in fall color season.	1	Antrim	\$5,000	\$1,250	\$6,250
MI	2011	Craig Lake State Park Trails	Analysis and Design for Trail Renovation and Replacement of Two Bridges- Craig Lake State Park	Analysis for design needs and subsequent design on five miles of trail system. Replacement of two bridges.	1	Baraga	\$55,000	\$13,750	\$68,750
MI	2011	State Forest Rail-Trail	Trail Partnership Management & Projects: FMD Rail-Trails	Partnership management agreements for maintenance of sections of State Forest rail-trail	2, 5, 10	Benzie, Lapeer, Saginaw	\$75,000	\$18,750	\$93,750
MI	2011	North Central State Trail	Trailhead Improvements - North Central State Trail - Indian River-Phase 1	Restroom upgrades to facilitate year-around public use of restroom that will be used as part of the trailhead development in Indian River.	1	Cheboygan	\$50,000	\$12,500	\$62,500
MI	2011	North Central State Trail	Rail-Trail Bridge Renovation: Indian River Trestle- North Central State Trail	Rail-Trail Bridge Renovation	1	Cheboygan	\$1,000,000	\$250,000	\$1,250,000
MI	2011	North Central State Trail	Rail-Trail Bridge Repairs: North Central State Trail	Repairs to 5 bridges on the 62 mile North Central State Trail.	1	Cheboygan	\$75,000	\$18,750	\$93,750
MI	2011	Fur Farm Bridge	Bridge Replacement: Fur Farm Snowmobile Bridge	Bridge Replacement	4	Clare	\$235,000	\$58,750	\$293,750

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2011	Ausable River Water Trail	Canoe Landing Renovations-Rainbow Bend/Castle Landings	Minor adjustments needed in layout of new launch/landing facilities at these two locations.	1	Crawford	\$20,000	\$5,000	\$25,000
MI	2011	Boardman River Water Trail	Canoe Launch Renovation ? Boardman River, Scheck's Place Trailcamp	Project is to renovate launch area to reduce sedimentation into Blue Ribbon Trout Stream and improve river ingress/egress.	4	Grand Traverse	\$11,000	\$2,750	\$13,750
MI	2011	Houghton to Lake Linden Trail	Rail-Trail Cross Drain Engineering Structural Analysis	Engineering assessment including cost estimating of Multiple cross drains on a section of State owned rail-trail from north of Houghton to just north of Lake Linden.	1	Houghton	\$200,000	\$50,000	\$250,000
MI	2011	Ionia Rec. Area	Hiking Trail Bridge Replacement Engineering	Engineering for replacement of bridge that had to be removed on popular hiking trail.	3	Ionia	\$50,000	\$12,500	\$62,500
MI	2011	Stateline Trail	Rail-Trail Bridge Renovations: Stateline Trail-Iron River to Beechwood No. 20, 21, 27	Three bridges identified in engineering study as higher priority for maintenance.	1	Iron	\$800,000	\$200,000	\$1,000,000
MI	2011	West Twin Lake Bridge	Bridge Replacement: West Twin Creek ORV/Snowmobile Bridge	Bridge Replacement	2	Lake	\$345,000	\$86,250	\$431,250
MI	2011	East Twin Creek Bridge	Bridge Replacement: East Twin Creek ORV/Snowmobile Bridge	Bridge Replacement	2	Lake	\$295,000	\$73,750	\$368,750
MI	2011	Pere Marquette State Trail	Trailhead Information Kiosks: Pere Marquette State Trail	56 mile rail-trail needs locations for trail use safety and support facility information. Kiosks are the same type being installed on other trails in the system.	2, 4	Lake, Osceola, Clare	\$26,000	\$6,500	\$32,500
MI	2011	Upper Spring Trail	Trail Improvements: Upper Spring Trail at Arch Rock	Improve grade and stabilize surface on section of trail at natural feature site and install benches and informational signage.	1	Mackinac	\$9,200	\$2,300	\$11,500
MI	2011	Van Riper State Park Trail	Construction of Non-motorized Trail Connection- Van Riper State Park	Construction of approximately 0.5 miles of trail from park entrance to park day use area on Lake Michigamme.	1	Marquette	\$166,000	\$41,500	\$207,500

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2011	Little Presque Isle Trail	Trail and Trailhead Improvements- Little Presque Isle	Replace broken down fencing along lakeshore drop-off and upgrade trailhead parking and entry road surface.	1	Marquette	\$20,000	\$5,000	\$25,000
MI	2011	Marquette to Munising Rail-Trail	Rail-Trail Bridge Renovations: M-28 bridge, Marquette to Munising Trail	Redeck and paint bridge over M-28 on the Marquette to Munising rail-trail.	1	Marquette	\$375,000	\$93,750	\$468,750
MI	2011	Flowers Creek Bridge	Bridge Replacement: Flowers Creek ORV/Snowmobile Bridge	Bridge Replacement	4	Missaukee	\$195,000	\$48,750	\$243,750
MI	2011	Highland Recreation Area Trail	Construction of Regional State Park Trail Connections	Construction of trail connections	11	Oakland	\$430,000	\$107,500	\$537,500
MI	2011	Elk Hill Trail Camp	Trailcamp Expansion Study- Elk Hill Trailcamp	Study to investigate opportunities for expanded camping capacity for equestrian users utilizing this camp as a recreation destination.	1	Otsego	\$25,000	\$6,250	\$31,250
MI	2011	Rail-Trail Highway Trailhead	Rail-Trail Highway Trailhead, Location and Directional Signs	Installation of directional signs	1	Otsego, Cheboygan	\$18,000	\$4,500	\$22,500
MI	2011	High Country Pathway	Bridge Replacement ? Canada Creek: High Country Pathway	This is a bridge on the 70-mile High Country Pathway backpacking loop trail	1	Presque Isle	\$180,000	\$45,000	\$225,000
MI	2011	North and South Higgins State Park Trails	Engineering Design for Trail Connections to Regional Loop Trail ? North and South Higgins Lake State Parks	Engineering and design for construction of approximately 3-miles of trail in two State Parks to be part of a larger 23.5 mile trail around Higgins Lake.	1, 4	Roscommon, Crawford	\$95,000	\$23,750	\$118,750
MI	2011	Clinton-Ionia-Shiawassee Trail	Trail Design/Engineering- CIS Trail	Design and engineering for development of a 42 mile section of State owned rail-trail being developed for multi-use transportation and recreation use	3, 8	Shiawassee, Clinton, Ionia	\$100,000	\$25,000	\$125,000
MI	2011	Van Buren Trails	Construction of Non-motorized trail connection- Van Buren State Park	Construction of approx 4.5 miles of surfaced trail connection from City of South Haven to Lake Michigan beach at Van Buren State Park.	6	Van Buren	\$405,000	\$101,250	\$506,250

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2011	Michigan Statewide Rail-Trail System	Linear Parks Partnership Operations/Maintenance Lump Sum	Assist with partnership projects on State Park managed rail-trails.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$150,000	\$37,500	\$187,500
MI	2011	Michigan Statewide Rail-Trail System	Trail Survey, Engineering, Design and Special Projects: FMD Rail-Trails	Survey, design, and engineer projects on State Forest rail-trails.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$685,000	\$171,250	\$856,250
MI	2011	Maybury State Park Trail	Trail Loop Re-surfacing engineering- Maybury State Park	Approximate 3 mile internal park trail loop system at this very popular Urban State Park needs asphalt resurfacing	11	Wayne	\$52,000	\$13,000	\$65,000
MI	2011	Chase Creek Bridge	Bridge Replacement: Chase Creek ORV/Snowmobile Bridge	Bridge Replacement	2	Wexford	\$425,000	\$106,250	\$531,250
MI	2011	North and South Higgins State Park Trails	Engineering Design for Trail Connections to Regional Loop Trail ? North and South Higgins Lake State Parks	Engineering and design for construction of approximately 3-miles of trail in two State Parks to be part of a larger 23.5 mile trail around Higgins Lake.	1, 4	Roscommon, Crawford	\$95,000	\$23,750	\$118,750
MI	2010	Harlow Lake Pathway	Trail Surface Hardening- Harlow Lake Pathway	Assist with re-surfacing of rail-trail pathway.	1	Marquette	\$90,000	\$82,000	\$172,000
MI	2010	Michigan State ORV and Snowmobile System	ORV Trail System Sign Project	Sign system development for better public communication of riding opportunities.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$125,000	\$375,000	\$500,000
MI	2010	Mackinaw City Trail	Mackinaw City Trail/Trailhead Engineering	Construction oversight and quality control for asphalt surfacing approximately 2 miles of trail in Mackinaw City and construction of picnic pavilion with landscape, bicycle parking, and lighting.	1	Cheboygan, Emmet	\$80,000	\$881,400	\$961,400
MI	2010	Lake Superior Trail	Porcupine Mountains - Suspension Bridge Repairs, Presque Isle River	Almost 100 foot suspension bridge that routes the North Country and Lake Superior Trail. It has renovation needs recommended by an engineering consultant to have it meet current safety and code requirements.	1	Gogebic	\$75,000	\$18,750	\$93,750
MI	2010	Gooseneck Creek Bridge	Replace Gooseneck Creek Bridge	Replace degraded rail-trail bridge.	1	Houghton	\$200,000	\$50,000	\$250,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2010	Falling Waters Trail	Bridge Renovation- Falling Waters Trail	Assist with renovation and upgrade of bridge with new decking and railing system.	7	Jackson	\$50,000	\$12,500	\$62,500
MI	2010	Fort Wilkins State Park	Fort Wilkins State Park - Construction of Two Bridges	Renovate one older bridge and construct new bridge to separate users from vehicle traffic.	1	Keweenaw	\$300,000	\$75,000	\$375,000
MI	2010	Hart to Montague Trail	Resurface Hart to Montague Trail State Park	Assist with engineering for re-surfacing 22 mile asphalt trail.	2	Oceana	\$185,000	\$46,250	\$231,250
MI	2010	Townline Creek Bridge	Townline Creek Bridge	Replace existing bridge which is degenerated to the point of being too costly to repair.	4	Roscommon	\$250,000	\$62,500	\$312,500
MI	2010	State Administration	Trailway Engineering, Design, Survey, and Special Projects	Various survey, design, and engineering projects as well as several small development /repair projects	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$400,000	\$100,000	\$500,000
MI	2010	Kal-Haven Trail	Resurface Kal-Haven Trail State Park	Assist with re-surface project on 34-mile rail-trail including; crossing improvements, signage, grading and tree removal, and trail and bridge engineering necessary to meet AASHTO standards..	6	Van Buren, Kalamazoo	\$136,000	\$34,000	\$170,000
MI	2010	White Pine Trail	White Pine Trail Section Surfacing	Provide funding for engineering costs associated with this approximately 18 mile surfacing project.	2, 4	Wexford, Osceola	\$250,000	\$62,500	\$312,500
MI	2009	State Rail-Trail System	Rail-Trail Bridge Engineering and Construction	Part of the State Rail-trail system. Assist with development of trail connection to business district by providing engineering and construction of bridge needed over Chocolay River.	1	Marquette	\$300,000	\$313,000	\$613,000
MI	2009	State Park Trail System	Equestrian Trail Re-Route and Bridge Construction	Part of the State Park trail system. Re-route trail to better location that alleviates erosion problems. Construct bridge to cross creek and harden banks for an alternate water crossing.	3	Ionia	\$167,500	\$41,875	\$209,375

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2009	State Park Trail System	Construct Boardwalk and Bridges	Part of the State Park trail system. Complete phased boardwalk construction, construct accessible walkway connection from bridge to Visitors Center, and improve surface of bridge.	3	Mason	\$120,000	\$30,000	\$150,000
MI	2009	State Park Trail System	Construct Boardwalk and Bridges	Part of State Park trail system. Construct approximately 100 foot boardwalk and two bridges over creeks.	1	Emmet	\$120,000	\$30,000	\$150,000
MI	2009	State Park Trail System	Sign Installation	Part of State Park trail system. Sign replacement and upgrade at 11 State Park trail systems.	1, 2, 9, 10, 11	Chippewa, Cheboygan, Emmet, Oakland, Huron, Sanilac, Alcona, Iosco, Mason	\$66,500	\$16,625	\$83,125
MI	2009	Highland State Park Trail System	Design and Engineering	Part of the State Park trail system - Oakland Co. trail connections. Survey and design/engineering trail connections and support facilities in Highland State Park and to connect with county trail system.	11	Oakland	\$45,000	\$11,250	\$56,250
MI	2009	Iron Ore Heritage Trail	Design and Engineering	Part of State Rail-Trail system. Design/engineering for development of trail linkage into Van Riper State Park from the regional Iron Ore Heritage Trail.	1	Marquette	\$52,500	\$13,125	\$65,625
MI	2009	Harrisville State Park	Trail Construction	Part of State Park trail system. Engineering and surfacing approx. 1/2 mile of trail to connect existing park trails to park use areas.	1	Alcona	\$30,000	\$7,500	\$37,500
MI	2009	Van Buren Trail, Kal-Haven Trail	Design and Engineering	Part of the State Park rail-trail system and park connection. Design and engineering to develop trail to connect Van Buren State Park to the Van Buren Trail, the City of South Haven and the Kal-Haven Trails.	6	Van Buren	\$50,000	\$12,500	\$62,500

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2009	Holly Recreation Area Trail System	Design and Engineering	Part of State Park trail system. Design and engineering to develop a 4-mile trail section to connect the dispersed facilities in Holly Recreation Area.	8	Oakland	\$60,000	\$15,000	\$75,000
MI	2009	Michigan State ORV and Snowmobile System	Bridge Replacement	Part of state's designated ORV and Snowmobile trail systems. Replace aging bridge on ORV/Snowmobile trail.	4	Roscommon	\$305,000	\$76,250	\$381,250
MI	2009	Michigan State ORV and Snowmobile System	Bridge Replacement	Part of state's designated ORV and Snowmobile trail systems. Replace aging ORV/Snowmobile bridge.	2	Wexford	\$250,000	\$62,500	\$312,500
MI	2009	Michigan State ORV and Snowmobile System	ORV/Sno Bridge Replacement	Part of state's designated ORV and Snowmobile trail systems. Replace aging ORV/Snowmobile bridge.	2	Lake	\$335,000	\$83,750	\$418,750
MI	2009	Michigan State ORV and Snowmobile System	Bridge Replacement	Part of state's designated ORV and Snowmobile trail systems. Replace aging ORV/Snowmobile trail bridge.	2	Lake	\$212,000	\$53,000	\$265,000
MI	2009	State Forest Pathway	Public Information for Pathway and Campground System	State Forest Pathway and Campground Recreation System. Public information for Pathway (60) and Campground (149) system.	1, 2, 4	Various	\$45,000	\$11,250	\$56,250
MI	2009	State Forest Recreation Boating Access	Renovate Water Trail Access	Part of State Forest Recreation Boating Access program. Renovate deteriorating canoe launches, stabilize stream banks and develop accessible access routes.	1	Crawford	\$110,000	\$27,500	\$137,500
MI	2009	State Rail-Trail System	Trail Construction	Part of State Rail-Trail system trail connections. Development of 1.25 mile trail section connecting state and local trails.	2	Muskegon	\$295,000	\$73,750	\$368,750
MI	2009	State Rail-Trail System	Trail and Trailhead Improvements	Part of the State Rail-trail system. Assist with development of trailhead facility including parking, restrooms, information station, benches, picnic pavilion, and signage.	1	Cheboygan	\$445,000	\$111,250	\$556,250
MI	2009	Musketawa Trails, White Pine Trails	Trail Connection Engineering/Design	Design and engineering to develop a 10 foot wide trail connection between the Musketawa and White Pine Trails.	2, 3	Kent	\$150,000	\$37,500	\$187,500

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2009	State Rail-Trail System	Trail Construction	Part of State Rail-Trail system. Survey and engineering/design for trailhead completion, trail connections and surface trail section out to Mill Creek Historic State Park.	1	Cheboygan, Emmet	\$100,000	\$25,000	\$125,000
MI	2009	State Rail-Trail System	Trail Construction	Part of State Rail-Trail system. Construction of approximately 3/4 mile of trail adjacent to paved rail-trail using various trail surfaces to test long-term durability and maintenance requirements.	8	Oakland	\$120,000	\$30,000	\$150,000
MI	2009	State Rail-Trail System	Bridge Renovation	Part of the State Rail-trail system. Renovations of structural, decking, and railing system on 443 foot long rail-trail bridge.	1	Ontonagon	\$705,000	\$176,250	\$881,250
MI	2009	State Rail-Trail System	Rail-Trail Bridge Engineering	Part of the designated state snowmobile trail system. Bridge is County owned. Engineering of necessary improvements to bridge on snowmobile rail-trail, could include structural work, decking, and railing depending on engineering evaluation.	1	Dickinson	\$35,000	\$8,750	\$43,750
MI	2009	State Rail-Trail System	Evaluate Title and Ownership Status of Railroad Rights-of-Way	Part of State Rail-Trail system. Evaluate title and ownership status of sections of railroad right-of-way desired to make trail connections.	1	Houghton, Keweenaw	\$40,000	\$10,000	\$50,000
MI	2009	ORV Study	Study on Snowmobile and ORV Stopping Distances	Assist with cost of national study on snowmobile and ORV stopping distances for signage specifications. Stopping distance study being conducted through the USDA Forest Service Technology Center.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$15,000	\$3,750	\$18,750
MI	2008	Bergland Rail-Trail	Bridge Renovation	One of the major bridges on the 41 mile long Sidnaw - Bergland Rail-trail. Renovations identified in engineering analysis done on the bridge for bridge structural integrity and replace deck and rail system.	1	Ontonagon	\$431,000	\$107,750	\$538,750

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2008	Marquette-Munising Trail, Chocolay Segment	Trail Surfacing	Part of the Michigan Statewide Rail-Trail system. Surface 6.25 mile section of rail-trail with compacted limestone mixture.	1	Marquette	\$294,000	\$73,500	\$367,500
MI	2008	Upper Peninsula	Trail and Trailhead Renovation	Part of the Department of Natural Resource's Upper Peninsula forest recreation program. Repair and replacement of trail safety structures (fence, handrails and access) along shoreline trail of Lake Superior and upgrade surface of parking and access...	1	Marquette	\$95,000	\$23,750	\$118,750
MI	2008	State Forest Pathway System, Cadillac Pathway	Trailhead Improvements	Part of the State Forest Pathway System. Hard surface the parking area with compacted limestone mixture to provide safer, more accessible and easier to maintain parking surface at the trailhead of this pathway.	4	Missaukee	\$56,000	\$14,000	\$70,000
MI	2008	Alpena to Cheboygan Trail	Trail/Road Crossing Realignment Construction	Part of the Statewide Rail-trail system. Construct realigned trail/road crossings that cross at 70 degrees or more to provide a safer crossing of roads by trail users.	1	Presque Isle	\$90,000	\$22,500	\$112,500
MI	2008	Musketawa Trail, Muskegon Connection	Asphalt Trail Construction and Improvements	Part of the Statewide Rail-Trail system. Construction of 1.8 mile trail segment to connect two existing trails. Includes base preparation, asphalt surface, signage, restoration, etc.	2	Muskegon	\$105,000	\$348,000	\$453,000
MI	2008	Cheboygan Trailhead	Trailhead Development - Cheboygan Trailhead	Part of the Statewide Trailways System. Construction of trailhead facility including restroom, picnic pavilion, parking, signage, lighting, and landscaping.	1	Cheboygan	\$340,000	\$85,000	\$425,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2008	Michigan Shore to Shore Riding/Hiking Trail	Trail Camp Facilities	Trail camp facility on the Michigan Shore to Shore Riding/Hiking Trail. Re-design of trail camp, trail and boat access site to provide better circulation and more efficient camping layout in a camp that can accommodate 200 person rides.	1	Missaukee	\$340,000	\$85,000	\$425,000
MI	2008	Muskegon State Park	Accessible Trail Surface Prototype - Muskegon State Park	Part of the State Park system. On a 2.6 mile looped trail, install approximately 1000 feet of 6 foot wide stabilized engineered wood fiber surface to the trail and surface the remainder with crushed limestone.	2	Muskegon	\$190,000	\$300,000	\$490,000
MI	2008	Wells State Park	Trail Surfacing	Part of the State Park system. Development of .7 miles of trail with a combination of concrete, and stabilized engineered wood fiber surfacing.	1	Menominee	\$77,000	\$250,000	\$327,000
MI	2008	Mitchell State Park	Trail and Boardwalk Renovation	Part of the State Park system. 2.5 mile trail to be upgraded with compacted limestone surface and existing boardwalks and bridges re-built.	2	Cadillac	\$67,000	\$16,750	\$83,750
MI	2008	Port Crescent State Park	Trail Renovation and Surfacing - Port Crescent State Park	Part of the State Park system. Upgrade of .8 mile of trail with crushed aggregate surfacing.	10	Huron	\$13,000	\$250,000	\$263,000
MI	2007	Mackinac State Historic Parks Trail System	Accessible Trail Improvements	Part of the Mackinac State Historic Parks trail system. Surface and alignment improvements to existing trail to provide universal access to all trail users.	1	Cheboygan	\$57,500	\$1,340	\$58,840
MI	2007	Michigan Statewide Rail-Trail System	Bridge Improvements	Part of the Statewide Rail-trail System. Assist with major renovation project on historic 128 foot long former railroad trestle bridge.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$558,000	\$150,000	\$708,000
MI	2007	Michigan Statewide Rail-Trail System	Rail-Trail Development	Part of the Statewide Rail-trail System. Provide engineering, design and survey services for state rail-trail projects.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$12,000	\$273,000	\$285,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2007	State Forest Campground	Trailhead Improvements	Part of the State Forest Campground system. Reposition use areas in State Forest Campground to eliminate use conflicts, improve circulation and access to trail system, improve campsite orientation and barrier-free access within the facility.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$155,000	\$320,000	\$475,000
MI	2007	Michigan Statewide Rail-Trail System	Road/Trail Crossing Safety Improvements	Part of the Statewide Rail-Trail system. Assist with aggregate surfacing, trail/road crossing re-alignments on 61 mile rail-trail.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$144,000	\$2,104,218	\$2,248,218
MI	2007	Michigan State Forest Pathway System	Trail Construction	Part of the Michigan State Forest Pathway System. Design and construction of pathway segment to link two existing Pathway facilities to provide a longer trail opportunity for the public.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$18,000	\$4,500	\$22,500
MI	2007	Michigan Statewide Rail-Trail System	Bridge Improvements	Part of the Statewide Rail-trail System. Engineering assessment and evaluation of existing former railroad bridge to determine costs for upgrade of decking and painting.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$40,000	\$10,000	\$50,000
MI	2007	Michigan Statewide Rail-Trail System	Bridge Improvements	Part of the Statewide Rail-trail System. Renovations as identified in engineering analysis for bridge structural integrity and decking and railings as needed.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$400,000	\$100,000	\$500,000
MI	2007	Michigan Shore to Shore Riding/Hiking Trail	Trailhead Improvements	Campground on the Michigan Shore to Shore Riding/Hiking Trail. Engineering and design to reconstruct trail camp facility.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$81,000	\$20,250	\$101,250
MI	2007	Michigan Statewide Rail-Trail System	Trail Maintenance	Part of the Statewide Rail-trail System. Assist with management and maintenance on State park rail-trails.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$100,000	\$25,000	\$125,000
MI	2007	Michigan Statewide Rail-Trail System	Trail Improvements	Part of the Statewide Rail-trail system. Renovate and re-surface approximately 1500 feet of trail with asphalt.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$85,000	\$21,250	\$106,250

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2007	Fort Wilkins State Park	Bridge Improvements	Part of the Ft. Wilkins State Park trail system. Evaluate two bridges and design and provide cost estimates for appropriate replacement as necessary.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$65,000	\$16,250	\$81,250
MI	2007	Sterling State Park and City of Monroe	Trail Construction	Part of State Park Trail System. Complete plans for trail development and construct trail segment to connect Sterling State Park trail system to the City of Monroe's trail system.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$183,000	\$45,750	\$228,750
MI	2007	Michigan State Park Trail System	Engineering, Design, and Cost Estimating	Part of the State Park Trail system. Engineering, design, and cost estimating for re-surfacing trail and provision of natural resources interpretation elements.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$28,500	\$7,125	\$35,625
MI	2007	Michigan State Park Trail System	Install Signs	Part of the State Park trail system. Upgrade trailhead and trail directional signage at eight State Parks.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$50,000	\$12,500	\$62,500
MI	2007	Michigan State Forest Pathway System	Trail Renovation	Part of the Statewide State Forest Pathway System. Projects for improvement and upgrade of existing pathways and projects causing safety concerns due to unforeseen outside influences, i.e., damage caused by wind or water.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$75,000	\$18,750	\$93,750
MI	2006	Unspecified/Unidentifiable	Trailhead Construction	Part of the State Forest Recreation program. Trail camp improvements including: site development, road improvements, hitching posts, picnic tables and fire rings, information station, fee pipe and signage.		Unspecified/Unidentifiable	\$52,000	\$13,000	\$65,000
MI	2006	Michigan State Forest	Water Trail Improvements	Part of the State Forest boating access program. Remove deteriorating dock structures at two locations and replace with smaller structures to enhance use by boaters as well as fit better with streambank environment of this natural river.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$35,000	\$8,750	\$43,750

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2006	Michigan State Forest	Design and Engineering	Part of State Forest boating access program. Engineering to develop plans, specs and bid documents to construct new access site to replace existing site and to restore existing site. The existing site is located at an undesirable location on a...	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$50,000	\$12,500	\$62,500
MI	2006	Michigan Statewide Rail-Trail System	Bridge Improvements	Part of Michigan's Statewide Rail-Trail System. Repair old trestle bridge to preserve for trail use.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$408,000	\$102,000	\$510,000
MI	2006	Michigan Statewide ORV Trails System	OHV Area Development	Part of the Statewide ORV Trails System. Develop trailhead facility including: parking area, accessible toilet and information station.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$60,000	\$15,000	\$75,000
MI	2006	Michigan Shore to Shore Riding/Hiking Trail	Trail Improvements	Part of Michigan Shore to Shore Riding/Hiking Trail. Engineering for development of plans, specs and bid documents for camp and road improvements. Phase one construction including: vehicle control elements/posts, initial campsite and road...	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$193,000	\$48,250	\$241,250
MI	2006	Michigan State Forest	Bridge Improvements	Part of the State Forest Recreation program. Install new railing system on bridge and design and install sand retaining structure to protect bridge support system.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$90,000	\$22,500	\$112,500
MI	2006	Unspecified/Unidentifiable		Unspecified/Unidentifiable		Unspecified/Unidentifiable	\$20,000	\$5,000	\$25,000
MI	2006	Michigan State Snowmobile Trail System	Design and Engineering	Part of the statewide snowmobile trail system. Engineering to develop plans, spec, bid documents to install standard aggregate surfacing to the existing trailbed.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$30,000	\$7,500	\$37,500
MI	2006	Unspecified/Unidentifiable		Unspecified/Unidentifiable		Unspecified/Unidentifiable	\$40,000	\$10,000	\$50,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2006	Michigan Statewide Rail-Trail System	Rail-Trail Development	Part of State Rail-Trail system. Survey, design, engineering, planning and special construction projects as identified by the State Trails Coordinator.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$100,000	\$25,000	\$125,000
MI	2006	Michigan State Park Trail System	Design and Engineering	Part of State Park trail system. Engineering to develop preliminary plans and cost estimating to complete 150 feet of boardwalk to complete trail along Big Sable River in critical dune area, complete an engineering evaluation of the existing bridge...	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$80,000	\$20,000	\$100,000
MI	2006	Michigan State Park Trail System	Design and Engineering	Part of the State Park trails system. Engineering to develop plans, specs and bid documents for new trail bridge and re-route of existing trail to the new bridge location.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$56,000	\$14,000	\$70,000
MI	2006	Michigan State Park Trail System	Trail Renovation and Drainage Improvements	Part of State Park trail system. Trail restoration and improvements including; constructing short trail re-routes, trail drainage work including culverts and restoration of abandoned sections of trail.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$30,000	\$7,500	\$37,500
MI	2006	Michigan State Park Trail System	Design and Engineering	Part of State Park trail system. Survey, design and engineering to develop preliminary plans and cost estimating to renovate 8 mile equestrian trail system and engineering evaluation of utilities at equestrian campground/trailhead to determine need...	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$150,000	\$37,500	\$187,500
MI	2006	Michigan State Park Trail System	Trailhead Construction	Part of State Park trail system. Construct small trailhead parking lot and install interpretive signage.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$30,000	\$7,500	\$37,500

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2006	Michigan State Park Trail System	Boardwalk Construction and Trailhead Improvements	Part of State Park trail system. Trails improvements to enhance nature interpretation including: development of boardwalk section to access wetland, information and interpretive signage and bench installation for lecture/group tour focus area.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$36,000	\$9,000	\$45,000
MI	2006	Michigan State Park Trail System	Boardwalk and Bridge Construction	Part of State Park trail system. Engineering to provide preliminary plans and cost estimates to construct 100 feet of boardwalk and two trail bridges.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$47,000	\$11,750	\$58,750
MI	2006	Michigan State Park Trail System	Trail Construction and Trailhead Improvements	Part of the State Park trail system. Surface existing trail with limestone fines, construct observation deck/rest area, update trailhead interpretive and information signs.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$26,000	\$6,500	\$32,500
MI	2006	Michilimackinac State Park	Trail Renovation and Improvements	Part of the interpretive trail system at Michilimackinac State Park historic complex. Renovate historic pathway system accessing turn of the century lighthouse including lighting, interpretive and directional signage, benches and litter receptacles.	1	Cheboygan	\$120,000	\$30,000	\$150,000
MI	2006	Unspecified/Unidentifiable	Trailhead Construction	Part of a campground/trail/boating-fishing recreation complex. Renovation of trail camp area including addition of picket posts at restroom area, install two accessible toilets, well house improvement and trail drainage improvements.		Unspecified/Unidentifiable	\$42,000	\$10,500	\$52,500
MI	2005	Michigan State Snowmobile Trail System	Bridge Improvements	Part of the Michigan Snowmobile Trail System. Engineering evaluation of 42 bridges on this trail to establish priority needs to address upgrades necessary.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$100,000	\$25,000	\$125,000

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2005	Michigan State Forest Pathway System	Trail Improvements	Part of the Michigan State Forest Pathway System. Install compacted aggregate surface to provide stable trail tread.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$23,000	\$5,750	\$28,750
MI	2005	Michigan State Forest Pathway System	Trail Improvements	Part of the Michigan State Forest Pathway System. Install compacted aggregate surface to provide stable trail tread.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$16,000	\$4,000	\$20,000
MI	2005	State Forest Pathway System	Bridge Construction	Part of the State Forest Pathway System. Replace second bridge on the pathway.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$50,000	\$12,500	\$62,500
MI	2005	Michigan State ORV and Snowmobile System	Trailhead Construction	Part of the Statewide ORV and Snowmobile Trail Systems. Develop standard program trailhead including parking, information station, accessible vault toilet.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$60,000	\$15,000	\$75,000
MI	2005	Fort Michilimackinac	Accessible Trail Improvements and Interpretive Facilities	Main visitor route to the historic reconstructed 1715 French fort complex. Route includes historic interpretive information to set the stage for the visitor's interactive fort visit experience. Re-surface trail to provide stable universal access...	1	Emmet, Cheboygan	\$12,500	\$3,125	\$15,625
MI	2005	Big Sable River	Trail and Boardwalk Construction	This project is to assist with development of a section of an overall 1 1/2 mile trail loop along the Big Sable River. The finished trail will be universally accessible and includes ramps and elevated boardwalk. Site preparation and grading...	2	Lake, Mason	\$150,000	\$37,500	\$187,500
MI	2005	Michigan State Park Trail System	Trail Improvements	Part of the State Park historical interpretation program. Develop and surface approximately 2100 feet of interpretive trail with compacted crushed aggregate. Includes provision of two accessible ramps to accomplish universal access to existing...		Unspecified/Unidentifiable	\$42,000	\$10,500	\$52,500

State	Project Year	Trail Name	Project Name	Description	Cong. District(s)	County(s)	RTP Funds	Other Funds	Total Funds
MI	2005	Michigan Statewide Rail-Trail System	Trail Improvements	Part of the Michigan Statewide Rail-Trail System. Install compacted crushed aggregate surface on 5+ miles of trail.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$60,000	\$15,000	\$75,000
MI	2005	Michigan Statewide Rail-Trail System	Trail Maintenance	Part of the Michigan Statewide Rail-Trail System. Brush and clear approximately 12 miles of trail corridor.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$40,000	\$10,000	\$50,000
MI	2005	Michigan Statewide Rail-Trail System	Trail Maintenance	Part of the Michigan Statewide Rail-Trail System. Brush and clear 6-7 miles of rail-trail corridor.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$50,000	\$12,500	\$62,500
MI	2005	Michigan Statewide Rail-Trail System	Rail-Trail Development	Part of the Statewide Rail-Trail system. Remove and dispose of railroad tie debris left behind by the railroad company on 18 miles of trail corridor.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$100,000	\$25,000	\$125,000
MI	2005	Michigan Statewide Rail-Trail System	Survey and Engineering	Part of the Statewide Rail-trail system. Various trail surveys, design and engineering projects.	1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14	Statewide	\$250,000	\$62,500	\$312,500
MI	2003	Goose Creek Trail	Trail Improvements	Improvements	1	Crawford	\$20,000	\$20,000	\$40,000
